Completely understand and agree. I'd like the UHRC to work with the Council Office to come up with some recommendations.

Emada, Matthew, and Danie - can you please discuss as a group and, in consultation with CD11, come up with a recommended plan for providing trash bags at Venice & Globe?

Thanks!

Brian

Copy, we need to determine the frequency and what the resources are to support such a request. We cannot have those type bags sitting on Public ROW for extended periods of time.

Not quite. We need to figure out a plan for ongoing trash support for this location. They should get the bags immediately after the CSLA on 2/13 so they can keep the area clean. Then we need to determine how often after that they'll need bags and trash service to maintain.

Hi Brian,  
So this would be just for a one time service scheduled on 2/13?

Hi Victor and Gonzalo,

Can we please distribute LASAN trash bags to folks in the encampment at Venice and Globe in CD11 following that location's next CSLA on Wednesday, 2/13? According to the Council Office, people there have been doing a good job sweeping up and gathering their trash; however, they are sweeping it right into the bike path and street blocking pedestrians and traffic. The Council Office believes if we were to provide them with trash bags and pick them up regularly, then there would be a meaningful reduction in the amount of trash at that location.

Please confirm we can do this. I'm happy to reach out to St. Joseph's Center to assist with this effort if necessary.

Thanks.

Brian
